WELCOME TO MEDAID

MedAID (Mediterranean Aquaculture Integrated Development) is a four-year project, funded by the European Union in the frame of Horizon 2020, grant agreement number 727315. The goal of MedAID is to increase the overall competitiveness and sustainability of the Mediterranean marine fish-farming sector, throughout the whole value chain.

Once you open the session, click on your chosen section from the "forum" menu or visit the site clicking on the following link: <u>http://www.medaid-h2020.eu/index.php/community/</u>
